

## The Latest

Loudoun Cares Newsletter

July 2024

### Program Updates

#### Leesburg Grants \$100,000 for Water Assistance

We're thrilled to announce that the Town of Leesburg has generously provided \$100,000 to support our water-only utility assistance program. This vital contribution will help countless families in our community maintain access to clean, safe water. Thank you, Town of Leesburg, for your unwavering support!

#### Updates on Rent Assistance & Eviction Prevention Program

Our Rent Assistance and Eviction Prevention Programs have had over 1,000 applicants seeking support.

We're running low on funds and need your help. Please consider contributing to our Loudoun Cares Emergency Fund to support those in need in our community. Your donation will fill gaps left after County funds are exhausted: [Donate Here](#).

### What's New?

#### Leadership

We are saddened to announce the retirement of our wonderful Executive Director, Valerie Pisierra, whose dedicated service has profoundly impacted Loudoun Cares over the past 8 years. Her leadership and passion will be deeply missed. At the same time, we are excited to welcome Jenny Tomlinson as our new Executive Director. Jenny has served as the Director of Operations and Programs for Loudoun Cares for the last 3 years and brings a wealth of experience and a fresh perspective. We are confident she will continue to drive our mission forward with the same commitment and enthusiasm.

#### 4th of July Park & Parade

We had an incredible time celebrating the 4th of July with our Town of Leesburg neighbors at the parade! A big thank you to everyone who made our parking lot party a success, decorated our float, and handed out frisbees to the crowd. Your smiles and waves reminded everyone that we are here to connect those who serve with those in need, building a stronger community together!

### Loudoun Cares By The Numbers
